Hi-Rise

Hi-Rise is an economical, two-tier bicycle rack that doubles the bike capacity of standard bike racks. Manufactured for commercial bike storage applications, the Hi-Rise has a sturdy steel tubing frame and solid steel lock bar for security. Units can be stand alone or connected by a shared support post for side-by-side modularity.

- *High density, 2-tier design doubles capacity*
- *Modular add-on units share posts to save space*
- *Top tier adjustable spacing*
- *Heavy duty construction with solid steel lock bars*

Shown: Hi-Rise (HR-10)
